

Tennessee Traveling Senior Golf Association

Board members in attendance at Country Hills banquet room:

Robert Quillen, Burl Young, Harry Carlton, Doug Pedigo, Chris Maynord, Bob Sutton, Allen Aldridge, Steve Goins, Dale Penn

Primary reason for this meeting was to decide whether to play several courses that were not in their best shape, and what our members would think if we played them.

- Voted to cancel Indian Hills for Tuesday 6/30, and Brad will schedule us for Monday 6/29 at 8:00.
- Voted to cancel Twelve Stones on Mon 7/27, and after this meeting, Burl scheduled The Legacy for that same day at 8:30.
- Our event at Shelby scheduled for Monday 7/6 was changed to Tuesday 7/7, still at 8:30.
- Nashville National is scheduled for Monday 8/17, and it's not in the best shape right now. Voted to "wait and see" and decide later to see if they get their course in playing shape. We had scheduled a group event and lunch for that date.
- Chris, mentioned that We also discussed that shamble scores would not be posted as handicap rounds.
- Harry brought up a discussion about whether we should continue with our Annual Year End Banquets at Bluegrass CC. BGCC doesn't seem to like our group like they used to. When Burl tried to book a golf event there, their price was a lot higher than our threshold. The banquet doesn't seem to be as great an attraction as it used to be.
- Harry said that Country Hills could host our "Banquet-lunch or dinner" just for the members. He has a tentative date of Tuesday November 17th.
- Dale to work on our finances to see what we could afford to spend to have a "really nice lunch", as an option.
- Currently our Quicken balance is \$20,584.13.

Meeting was adjourned.....
