 - **Membership (Dale Penn):**
 - 142 active members, with 2 on the waiting list.
 - **Start of Season Status (Burl Young):**
 - **Survey Results (Burl Young)**
 - 1-Can drop out before 5/27, get all of their money back
 - 2-Can Furlough their membership and roll 2020 dues into 2021, but they cannot play in any events (unless as a guest) and would have to pay the guest fee if attending the banquet

A motion was made by Bob Hill to just have this year be a "recreational" year, refund all prize money, and have no prizes or banquet. **Burl seconded, but board voted "NO"**

A motion was made by Jerry Ashley to send email to members that we'll start in June, with revised schedule coming out, based on individual course's restrictions. **Burl seconded, and board voted "YES"**

A motion was by Jerry Wendling to email members to get out now (by June 1st) if they can't live with the changes that we're making to deal with the pandemic situation. Otherwise, once we start, their refund would be prorated ONLY if we have someone on the waiting list ready to join. **Burl seconded, the board voted "YES"**

A motion was made by Burl Young that we'll start our 2020 season on 6/2 at Country Hills. On 6/8 we'll play Clarksville CC, then on 6/15 Nashville National. On 6/22 we'll play Greystone and on 6/29 The Legacy. Burl will schedule courses going forward as he works out the details. **Richard seconded, the board voted "YES"**

A motion was made by Burl to buy a thermometer and check everyone's temp as they arrive. If too high, they don't get to play. **Richard seconded and the board voted "NO"**

- Action Item (Burl Young): Email the members the choices that they need to make by 5/27/20 as well as the schedule for June. Since some of the courses are requiring tee times, rather than shotgun starts, the NEW REVISED CUT OFF FOR NOTIFYING BURL IF YOU'RE NOT PLAYING, is now the Thursday the week before the actual event. **COMPLETE**

Meeting adjourned.
