**ATTENDING:** Dan Hawkins, Bob Sutton, Dale Penn, Doug Pedigo, Burl Young, Chris Maynard, Bob Hill, Joe Sciandra, Jerry Wendling, and Jim Cosby

**AGENDA:** "Slow Play" Issue and the probability of assessing penalties.

**DISCUSSION:**

- Burl stated our current policy
  - requires score cards be turned no later than 5 hours & 15 minutes after teeing off,
  - have no consequence for not following this policy.
- Issue: Even with the stated policy, SLOW Play continues to be an issue resulting in the need to assess penalty guides.

**MOTION:** Chris moved:

"You will be penalized for slow play **IF** you turn in your card more than 4 hours 30 minutes after our starting time, **AND your card is turned** in more than 15 minutes after the group in front of you turns in their card. The graduated penalties are as follows:

- More than **15 minutes** is a penalty of 1 shot for the group.
- More than **20 minutes** is a penalty of 2 shots for the group.
- 1. More than **25 minutes** disqualifies the group.

**Motion seconded by Joe, vote passed**

**MOTION:** Joe moved:

"After Burl leaves the course, then all late cards need to be **EMAILED** to him (no calls or texts)

**Motion seconded by Bob Sutton, vote passed.**

**EXPECTION:** Jerry mentioned that just the premise of us instituting a penalty for slow play, will probably speed up play as required by the membership, as no one wants to get the penalties

**Motion: Joe made a motion to adjourn, seconded by Chris, vote passed**
